

1 – Standard Members

Abstract:

This tutorial is targeted for all members of the Stargate Command Clan using the SGC Profile Website.

This tutorial has been written to describe the functions available to standard access level members. The tutorial describes in detail each section that a member has access to within the SGC Profile Website. Also included are instructions on how to modify your current profile information, which in turn will update your signature strip; along with changing your profile site password and reporting a problem to Artax.

Contents

- 1. Profile Login Page..... 2
- 2. Member Home Page 2
- 3. Modifying Member Information..... 3
- 4. Managing Member Pictures..... 4
- 5. Member List 4
- 6. Change Password 5
- 7. Report a Problem..... 5

1. Profile Login Page

Star Gate Command Profiles

User Name

Password

- Enter your username and password. Both username and password are **case sensitive**. If you need your password reset please contact Marine Hard, Artax or any other Member with Administrative access.

- From here you can also access all of the Division Pages and return back to the main website.

2. Member Home Page

Member Information	
Member Name	Artax (AKA McJim2k)
Member Fullname	Jim Furnier
Avatar	
Member Username	artax
Member E-Mail	artax@sgcavp2.net
Member ICQ	177730701
Member Rank	★★★
Member Notes	
Member Flags	
Game Divisions	

- The home page displays the member's general information, Alias, Full name, Avatar, Profile Site Username, E-Mail Address, ICQ Number, Rank, Personal Notes, Country and State/Province Flags, Selected Game Divisions.

- This is your signature strip that is displayed in the forums. If the code has been entered correctly into the forum, then your signature strip should appear exactly as it appears here.

Sig Strip Code - Copy into Forum Profile - [Sig Strip Tutorial](#)

```
<br />
```

- Copy this code and place it into the forum signature box explained in the **2 – Configure Sig Strip Code** tutorial. This code only needs to be modified once. Any time a change is made to your profile, either by you or by an admin, the images are dynamically updated. So if you join another gaming division, get promoted, or receive a medal, your signature strip will be updated automatically.

3. Modifying Member Information

- On this page a member may change their displayed Alias, Full Name, Avatar URL, E-Mail Address, ICQ Number, Personal Notes, Country Flag, State/Province Flag. Member's may not change their Username or Rank; that is only accessible to administrators.

v Game Divisions v	
Selected Divisions	
Available Divisions	

- Click the blue box around **Game Divisions** to expand the current list of selected gaming divisions and available gaming divisions.
- Click update when all of your desired changes have been made.

4. Managing Member Pictures

Artax (AKA McJim2k)'s Pictures			
Add Picture			
Picture Count: 5 of 10			
Image	Date Submitted	Notes	
My GTO 	3 Jan 2008	This my 2004 GTO.	Modify Picture Delete Picture

- This page displays the current list of member pictures. The image displayed is a scaled down version of the uploaded image, next to it is the date the image was submitted. Then any notes attached to the image are displayed. For every image you have the ability modify the name of the picture and the notes attached. If the image needs to be replaced, delete the image and then add the new image.

5. Member List

Member Information		
Alias	ICQ	E-Mail
MARINE HARD	169156582	ronaldgamzon@msn.com
Artax (AKA McJim2k)	177730701	artax@sqcavp2.net
Big Fat Tummy	262165785	bigfattummyxp_9thcmd_mascot@msn.com
Grr	313790289	armor_xhan@hotmail.com

- You can view all of the current members here along with their ICQ addresses and E-Mail addresses.

6. Change Password

- Enter your current password, and then enter your new password twice. The old password must be correct and both new passwords must match. Remember passwords are case sensitive.

7. Report a Problem

- By clicking this link, it will open a new E-Mail message dialog with your default E-Mail program on your computer. It will automatically populate the **To** field with Artax's E-Mail address (jfurnier@gmail.com) along with the **Subject** field (SGC Website Problem). Please be sure to clearly describe the problem you are having and Artax will fix the problem as soon as possible.
